HAYNES LIBRARY

Librarian's Report

The library has been opened 52 Saturdays. Since Oct. 1st it has been opened in the afternoon full time. May 1st it will be opened both afternoon and evening through the summer.

Whole number of books let out for the year	780
Average number drawn	15

This being a gain over last year. Several books have been purchased this year. We have also had one lot of books from the State Library Commission at Concord, which we were allowed to keep three months. Through the kindness of Mary Musgrove in Bristol a boys' magazine has come to our library every month which has interested our boys. We get a good patronage in the summer when our summer people are here.

Respectfully submitted,

EVA PHILLIPS,
Librarian.
